## What We Do

### Keynote Talks

inspirational speeches on the new challenge  
of cultural sustainability

## Awareness Trainings

online and onsite courses on  
Corporate Cultural Responsibility (CCR)

## Awareness Walkshops

innovative « workshops while walking  
around » on key local cultural areas

## Workshops

« incompany » workshops on potential  
customized CCR strategies

## Consulting

support in the implementation of cultural  
strategies / inclusion of cultural consideration  
into social-environmental strategies

## Strategic Briefings

online monthly meetings on how to engage for  
the sustainability of the local cultures

## Cultural Sustainability Lab

strategic research platform that supports the promotion and the development  
of cultural sustainability's tools and methodologies
